

THANK YOU!!

We appreciate that you let us have your kids for the past three nights! We have enjoyed getting to meet them and go on an undersea adventure to learn more about how God can be a friend forever. The fun doesn't have to stop there! We would love to see your kids again on Sunday morning. We have an amazing children's program called Kids ROCC that takes place during both morning services (9:15 & 10:45). In addition, for those rising 6th graders, we have a special meet up for you during 1st Service at 9:15.
